

Minnesota Asthma Coalition Individual Membership Application and 2010 Dues Payment

The Minnesota Asthma Coalition (MAC) was established in 2000 by the American Lung Association in Minnesota in partnership with the Minnesota Department of Health. The Minnesota Asthma Coalition continues today with the financial support and contribution of a number of organizations and individuals like you.

MAC's mission is to *actively work to enhance the quality of life for kids and adults with asthma in Minnesota.*

While MAC does not turn anyone away because of their ability to pay the \$20 individual annual membership dues, your financial support will help to build the coalition and cover the costs of educational programs.
